

CR800 SEMI-RECUMBENT BIKE

Optional TV Bracket (TV not included)

The CR800 Semi-Recumbent Bike is the perfect bike for the commercial environment. The step-through design makes it easy for your clients to get on the bike, and the easy-adjust seat allows them to find the most comfortable position. The console offers multiple programs, most with 40 levels of resistance and enough feedback information to make sure your clients never grow bored of the CR800. The extra-smooth ride comes from the perfect gearing and the integrated generator/flywheel system.

CR800 SEMI-RECUMBENT BIKE

- Contact and telemetric heart rate capabilities to make the workout more effective
- Generator powered console means there is no need for electricity
- Oversized foot pedals with fast latching system
- High density foam seat for extra comfort during a long ride
- 40 levels of resistance to satisfy the needs of beginners or advanced exercisers
- C-safe power and communication capabilities for A/V control

CR800 CONSOLE FEATURES

As with any product, a major importance is the user interface. We focused on making everything easily accessible and comfortable: A storage tray for a phone, keys, or an MP3 player, ergonomically friendly pulse grip handles for a more natural hand position, and a turbo cooling fan to keep your clients cool and encourage them to work out longer. Our large, easy-to-read console gives your clients constant feedback from calories to distance to time.
